Windham Community Garden Program Fact Sheet

The Windham Community Garden Program has been created to serve as an area to be cultivated and used by participants in Windham and the surrounding community to plant flowers, fruits, and vegetables within individual gardening plots designated by the Town of Windham Community Development Department. The Windham Community Garden Program provides a sustainable, educational, recreational, and nutritional resource within Windham and the surrounding communities.

Benefits of the Windham Community Garden

- ❖ Strengthens community engagement by providing an area whereby members and/or organizations/businesses within Windham and the surrounding communities can garden for personal use, charitable giving, or a combination of both.
- ❖ The establishment of a Community Garden Program within Windham provides a sustainable, educational, recreational, and nutritional resource for participants.
- ❖ Participation in the Program is FREE.
- ❖ Gardening is a fun and relaxing way to enjoy the outdoors.
- ❖ Gardening promotes food security by allowing individuals to produce their own food.
- ❖ Builds Public-Private partnerships.
